WETASKIWIN, ALBERTA, THURSDAY, APRIL 10, 1930

V. C. French, Publisher

Arrangements Well Under Way to Receive the Gov. General and Party Here

Lieut.-Governor Egbert, Premier Brownlee, Lady Rodney and other Distinguished Personages Invited to Participate—Tuesday, April 29, the Date—Ald. H. R. French Chairman of Reception Committee

We would again remind the citizens of Wetaskiwin that the Honorable the Governor General and his party will be here on Tuesday, April 29, the date of the reception. The Honorable the Governor General and his party will be here on Tuesday, April 29, the date of the reception. The Honorable the Governor General and his party will be here on Tuesday, April 29, the date of the reception.

It is up to the citizens therefore, on this memorable occasion, to represent the whole Province of Alberta and to do credit to the West. Lieut. Governor Egbert, Premier Brownlee, Lady Rodney and other Distinguished Personages Invited to Participate—Tuesday, April 29, the Date—Ald. H. R. French Chairman of Reception Committee

The different committees of the City Council met, in the Council Chamber on Monday evening and discussed arrangements for the Vice-Regal visit.

As their Excellencies stay here will only extend from 10 a.m. until 12 noon, the time had to be carefully apportioned.

The following tentative program was drawn up:

10 a.m.—Arrival of the Vice-Regal train.

Reception by His Worship the Mayor, who introduces the Aldermen and their ladies, with other officials on the platform.

Edmonton-Camrose Chess Tourney at Driard

The Driard Hotel was the meeting place of a very interesting gathering on Saturday evening, when representatives from the Edmonton and Camrose Chess Clubs met for a friendly tournament.

The quietness and seclusion of the reception and card room was an ideal spot for the tournament, and the ten members of the Edmonton Club who met an equal number from the Cam-

rose Club, are loud in their praise of the arrangements made for the occasion.

Of the ten games played, the Edmonton Club won seven and lost two, with one tie.

The following were the players: Edmonton—C. B. Clement, John D. Hunt, H. S. Negler, J. W. Barnett, C. L. Kerton, K. Watson, D. Davis, R. Smith, S. R. English and Wm. Ross. Camrose—J. B. Gallahan, R. A. East, H. C. Vellner, H. Adams, J. P. Capsey, C. S. Edwards, R. L. Ferguson, V. G. O'Connell, A. E. Millin and L. B. Chaffee.

Curt Smith, mine host, presented each guest with a Gillette gold safety razor as a souvenir of the occasion.

The event was such an enjoyable one that it is likely another and larger tournament will be held here in the near future.

Delightful Choir Concert Held in United Church

A very excellent concert was rendered in the First United Church, Wetaskiwin, to a most appreciative audience on Monday evening, April 7th. The Senior Choir which arranged the program, was in fine form and was very ably assisted by several visitors from the Wetaskiwin and other members of the congregation.

The program as rendered was "O Canada," followed by an invocation; orchestra selection, Mrs. Allen, and Messrs. Crawford, H. Switzer, M.

Mermer and H. Chandler; chorus, "The Soldiers' Chorus," the Choir; Address of welcome, the Chairman; solo, Mr. Mathers of Edmonton, accompanied by Mrs. Ashbridge at the piano and Mr. Crawford on the violin; violin solo, Mr. Crawford of Edmonton, accompanied by Mrs. Crawford; reading, "Watching the Spring," Robert George; solo, Mrs. Ashbridge, accompanied by Mrs. Mellett; sketch, "Fast Friends," Miss Lauretta Vickers and Mrs. J. Dixon; piano solo, Mrs. Lem Mellett; vocal duet, Messrs. Crawford and Mathers, accompanied by Mrs. Ashbridge; reading, "The Revolutionary Rising," Jean George; quartette, Mrs. Ashbridge, Mrs. Fullerton, Mr. Mathers and Mr. N. A. MacEachern; piano solo, Miss Marjorie H. Robinson; vocal solo, Mrs. Walla, accompanied at the piano by Mrs. Ashbridge, and on the violin by Mr. Crawford; violin solo, Mr. Crawford; vocal solo, Mr. Mathers; reading, Miss Evelyn Christie; solo, Mrs. Ashbridge; sketch, "Please pass the Cream," Mrs. V. C. French and Mr. N. A. MacEachern; selection, the Orchestra; two choruses, "An Ode Fashioned," the Choir, followed by the National Anthem and Benediction.

Each number was of very high quality of entertainment and was greatly appreciated by the audience.

Several items were very vigorously endorsed, to which there were a number of responses.

The stage was artistically arranged for the occasion and all proceedings moved forward in beautiful harmony.

At the close of the program refreshments were served, to those taking part. All in all it was a most satisfactory social event and reflects great credit upon the choir of the United Church.

LADIES' CURLING CLUB ELECT OFFICERS

The annual meeting of the Ladies' Curling Club was held at the home of the President, Mrs. Newville, on Monday, March 31st. The following officers were elected:

President—Mrs. Burkholder
Vice-President—Mrs. Miquelon
Secretary—Mrs. Manley
Treasurer—Mrs. Wiseman

Town Topics

W. P. Puffer, ex-M.L.A., of Lacombe, was transacting business in Wetaskiwin the fore part of the week.

Mrs. Thos. Lawson of Swift Current arrived in town Tuesday afternoon to spend a couple of weeks with friends.

The Swedish Lutheran Ladies' Aid will meet at the home of Mrs. R. H. Asp, Friday afternoon, April 11th, at 3 o'clock.

A. S. Rosenroth spent several months at Perintosh with his son, returned to Wetaskiwin a few days ago and expects to spend the summer here.

The friends of Miss Vold, who underwent a serious operation a short time ago, are pleased to know that she has left the hospital and is convalescing nicely.

Gordon Pickard returned home a few days ago from the Vermilion Agriculture School, and is being congratulated upon receiving his diploma. Gordon took a two years' course, and specialized in dairying.

Mr. and Mrs. H. Nelson and family, from Water Glen district, moved into town last week. They have rented a house on Court House Avenue. We wish them welcome to our town and hope they will feel at home here.

Rev. Hoas from Russia, gave a very interesting and enlightening lecture last Sunday night, in the Swedish Mission Church, about conditions and happenings in Russia today. The church was filled almost to capacity.

Richard Ballhorn was in Calgary last week-end purchasing a pair of calves. He is a very nice type of animal and will likely improve Mr. Ballhorn's already excellent herd of stock.

The Easter thankoffering of the Women's Missionary Society of the United Church will be held in the church on Tuesday, April 15th, at 3 o'clock. An interesting program has been arranged, at the close of which there will be a social half hour. All women are cordially invited to attend.

A social evening between the Royal Purple Lodge and Elks, Leduc, was held on Monday evening last, at 8:15. The first part of the evening was taken up with initiation work which was put on by the Royal Purple lodge of Wetaskiwin. This was followed by a social evening when the Elks of Wetaskiwin and Leduc joined the ladies at 9:30 o'clock.

On Palm Sunday, the 1930 member of Zion Lutheran congregation will first be examined as to their knowledge of the principal fundamental doctrines of the Bible, and will then be confirmed by the pastor after having renewed their baptismal vows and expressed their desire for membership. The names are, Willis Ochs, Edmund Dewald, Otto and Christine Zohner.

The hockey enthusiasts of Wetaskiwin have watched with interest the games played by the Tulsa hockey team during the past season, as Williams and Markler, stellar players of the team, are former Wetaskiwin boys. In 1923 the Tulsa team won the championship of the American Hockey Association and this year, the Tulsa team won two games out of the five in the title series, and one was a draw, but lost the championship on aggregate goals.

Since 1922, over forty thousand bears and wine shops have been closed in Italy, the Minister of the Interior stated.

Trade with the merchants who advertise in this paper.

Jersey Cattle Men Hold Meeting Here

A meeting of the Wetaskiwin Jersey Breeders Association was held at the Driard Hotel, on Tuesday last, with a full attendance. The meeting was addressed by Mr. A. E. Dunville, prominent breeder and importer of Jersey cattle, of Chilliwack, B.C., and by Mr. Everett Clark, field and stock man for the P. Burns Co. creameries. Arrangements were made for the holding of a field day at the Wetaskiwin Fair grounds, during the latter part of June. The exact date to be announced later. Final arrangements were also made for the annual auction sale which will be held this year, on Saturday, May 31, when a splendid opportunity will be afforded any person interested in either purebred or high grade Jerseys to secure one or more of these outstanding dairy cattle.

Completion of a \$650,000 deal giving it control of two dairy product companies in Regina and Winnipeg has brought the Dairy Corporation of Canada another step nearer its eventual aim of having a chain of large dairies under one control stretching straight across the Dominion.

Mr. Barton gave a strong inspirational temperance talk, followed by a well rendered dramatic presentation of the "Two Vagabonds," and for an encore gave "Seeing Things at Night."

Mr. Hull dealt with the argument of the Moderationists that if a man could secure a glass of beer he would not want hard liquor. This argument was exploded now and for all time, as with the increase of hard liquor consumption. When the Act came into force in 1924 there were several kinds of permits. \$3.00 would purchase a permit to buy both hard liquor and beer, 50c would buy a permit to purchase beer only. The beer drinker has now become a hard liquor drinker and the "beer only" permit, has been discontinued.

PROVINCIAL ELECTION UP TO BROWNLEE

Edmonton, April 5.—With Premier J. E. Brownlee along rests the decision as to whether there will be an election this year, according to information gathered in well-informed political circles on Friday.

It is understood that, following several attempts to reach a decision on the matter during the session, members of the United Farmers of Alberta party unanimously agreed to leave the decision entirely up to the Premier.

This decision was made in the course of the last couple of days during which the U.F.A. members held several councils. They have made no attempt to conceal the fact that there has been a difference of opinion in the ranks as to calling an election.

Those members who are more rigidly bound by U.F.A. doctrines have contended that they should adhere to one of the party's first principles and run out the complete five-year term, or making a further appeal to the country.

Others feel that since the Province stands on the threshold of a new era, a new mandate should be received from the people before starting out on a program of development.

In the end all agreed to leave the matter with the utmost confidence to the Premier, deciding that with his first hand knowledge of conditions as they are in all sections of the Province he is in the best position to decide.

SERIOUS BLAZE IS BARELY AVERTED

Bawit, April 8.—What might have been a serious fire started in C. Brown's municipal office Friday afternoon. Fire and smoke were first noticed coming through the floor, and an army of men were soon there with the fighting equipment. With the high wind great fears were held for surrounding buildings, but apart from floor and walls damages were not exceed \$250. Cause of the fire was unknown.

Town Topics

Mr. Gordon, who has been ill for some time, resumed his position in George Lowry's store a few days ago.

Frank Ballhorn took a bull to the Edmonton Spring Show this week, which was awarded the first prize in the Shorthorn class.

A general meeting of the Wetaskiwin Golf Club will be held in the Driard Hotel on Monday evening, April 14th, at 8 p.m., when important business will be transacted.

The Easter War Cry of the Salvation Army is now on sale. Be sure to purchase your copy from our representatives when they call at your homes. A beautiful book at 10c each.

A hedge has been planted around the Swedish Mission Church this week, and spruce trees at the Swedish Lutheran Church. A little more planting and garden work around our homes and properties will brighten up our city lot.

Mr. and Mrs. Chas. P. Cummings and Dr. and Mrs. T. B. Stevenson attended the entertainment under the auspices of the Camrose Normal School on Friday evening last. Mr. Cummings' daughter, Miss Amy Cummings, was one of the artists.

The weather during the past week has been ideal, in fact, was quite summery on Monday and Tuesday. The farmers are all busy on the land and some seeding has been done under ideal conditions, although it is reported that the ground is extremely dry.

A shower on Tuesday evening was sufficient to lay the dust.

Henry Haas had the misfortune to lose his barn on the farm two miles northwest of Wetaskiwin by fire on Monday evening last, about nine o'clock. The cause of the fire is an entire mystery, but the barn was around the premises for some time. The barn was in good condition, and it was new about four years ago, and will cost about \$1,000 to replace. The loss is partly covered by insurance.

Mr. A. Connelley was in Wetaskiwin last Thursday attending a meeting of the Jersey Cattle Breeders' Association of Alberta, of which he is a director. Mr. Connelley states that this Association intends doing considerable work along calf club lines. A calf club is well under way at Camrose, and the intention is to start one in the Red Deer district this spring. They are also holding a Jersey sale some time in May—Red Deer Advocate.

On Saturday last, a surprise party was held at the home of Mr. and Mrs. A. Bengston, in honor of Mrs. Bengston's birthday. A menu containing a large sum of money was presented to Mrs. Bengston, and a quantity of fruit to Mr. Bengston, who has been in poor health for a number of years, and is at present in a critical condition. A pleasant time was spent in conversation and song. Refreshments were served by the ladies.

Completion of a \$650,000 deal giving it control of two dairy product companies in Regina and Winnipeg has brought the Dairy Corporation of Canada another step nearer its eventual aim of having a chain of large dairies under one control stretching straight across the Dominion.

Mr. Barton gave a strong inspirational temperance talk, followed by a well rendered dramatic presentation of the "Two Vagabonds," and for an encore gave "Seeing Things at Night."

Ten Mills Is Rate Struck for This Year by the Mun. Dist. of Montgomery 458

Further Travelling to Be Undertaken on Stettler Highway
Reeve Ballhorn and Councillor Thompson to Represent Municipality on Wetaskiwin Hospital Board—\$3,000 Allocated to Each Division for Road Work

The regular meeting of the Council of the Municipal District of Montgomery No. 458 was held in the Council office on Saturday, April 5th.

The minutes of the last meeting were read and adopted.

A letter was read from the Dept. of Public Works notifying the Council that the grant from Income Account for this year would be \$228.00. Moved by Councillor Bussard that this Council accept the grant offered by the Department, and that the Department be requested to allocate the sum of \$3000.00 to this District from Capital Account. Carried.

A letter was read from the Wetaskiwin Public Library asking that this Municipality make a grant to the Library for the purchase of books. A list of the names of people in this Municipality using the library was submitted, it showed that there were some ninety families in the Municipality using the library. It was agreed to leave the letter on the table until the next meeting.

A letter was read from the Old Age Pension Board re E. J. Kelley. The Secretary was instructed to write and give the information asked.

The application for an Old Age Pension by Mrs. C. Anderson was laid on the table, so that more information might be obtained.

By-Law No. 304 to provide for the acquisition of land for roads or other purposes, was given second and third readings and finally passed.

Moved by Councillor Freeman that the necessary steps under the above by-law be taken to acquire the land required to construct a road around the block bounded by the streets of S.W. 27-47-22-24. Carried.

The estimates for the year 1930 were then taken up, and after a general discussion on ways and means it was moved by Councillor Freeman that the same scale of wages as paid last year for the hire of men and teams be paid again this year. Carried.

During the meeting, representatives from the Canada Tractor & Equipment Co., The Holt Caterpillar Co., and Philip Hargreaves interviewed the Council. By-law No. 304 to provide for the acquisition of land for roads or other purposes, was given second and third readings and finally passed.

Moved by Councillor Freeman that the necessary steps under the above by-law be taken to acquire the land required to construct a road around the block bounded by the streets of S.W. 27-47-22-24. Carried.

STRENGTH for a few cents

So easy to get Health and Strength for a few cents if you know what food to buy. It is what you digest that builds muscle and bone and furnishes energy to the body. Shredded Wheat is the whole wheat in a digestible form—proteins, carbohydrates and mineral salts for building good bones and teeth—and it costs but a few cents. Delicious with milk and stewed fruits.

OUR OTTAWA LETTER

(By Wm. Irvine, M.P.)

Another week has gone, and very little of the essential business of the Session has been done. The amendment to the Export Act which in effect prevents the granting of clearances to vessels loaded with liquor bound for the United States has passed its third reading and gone on to the Senate. Many held the opinion that had there been a secret ballot on this bill, it would not have carried, for while there may be a majority of the House of Commons who are in favour of al-

tering the unfortunate circumstances by which Canadian officials in the performance of their duty become the assistants of rum runners and bootleggers, yet it is safe to say that the present bill is not considered the best way of accomplishing that end. The Conservative party, while voting almost to a man for the bill, would much rather have had a treaty in which concessions would be made to Canada by the United States in return for concessions which we are making out of respect for United States law. Then there are others who think that the Federal Government should take over the whole brewing and distilling business, and thus securing control of experts directly.

In spite of this difference of opinion, however, only eleven members voted against the bill. It appears that the people of Canada as a whole are almost unanimously in favour of some action which would remove the stain from Canada's name which has been left through her association with the rum-runners across the border. It is out of respect for that public opinion that the bill met such favour, although it may not be the best way of meeting the situation.

Of course, the possible political effects must not be lost sight of. To have voted against the bill would have been interpreted in the country as indicating that those who did so were favouring rum running. Few members of Parliament would like to be associated.

The House got into Committee of

Supply last night at ten o'clock, after about two weeks discussion of amendments and sub-amendments to the motion so to do. Mr. Gardiner moved an amendment asking for the abrogation of the Australian Treaty, which was followed by a sub-amendment moved by Mr. Stevens of Vancouver that the Treaty be revised. The debate on these amendments lasted several days. The Government stubbornly refused to give any consideration at all to the idea of abrogating the Treaty, and would not even consider the sub-amendment which was more moderate in its demand. Mr. Gardiner, speaking for the United Farmer Groups, asked for the abrogation of the Treaty on the ground of the discrimination exemplified in its terms. It is true that certain manufacturing interests in Canada very considerably increased their foreign trade as a result of the Treaty, but this advantage to such interests was secured at the expense of the dairy industry of Canada and consumers of raisins, for the duty on raisins coming into Canada from the United States was raised so as to permit the Australian raisins to enter Canada, thus raising the price to the Canadian consumer, and the tariff which existed on butter, eggs and meat, and other farm produce was reduced.

The greatest harm was done to the dairy industry by the extension of the provisions of this Treaty by Order-in-Council to New Zealand, which shipped during the few months since the Treaty was extended to New Zealand, forty million dollars worth of farm produce into Canada. The various dairy and egg and poultry pools throughout Canada have been urging the abrogation of the Treaty. The U.F.A. at its last convention also passed a resolution urging that the Treaty be renounced. Hence the action of the United Farmer Members in this regard I may add that the United Farmer Groups voted with the Government against the sub-amendment and both the Conservatives and the Liberals voted against the amendment, leaving only the United Farmer Groups voting for the abrogation of the Treaty.

Since my last letter another step of progress has been made in connection with the Divorce Bill. Last Tuesday night the amendment of Mr. McMillan which if carried would have killed the bill, was voted down—one hundred and eight to eighty-eight, so that failing other amendments, it is expected that the second reading of the bill will be voted on next Tuesday night. The Prime Minister took part in the debate prior to the vote on the amendment, and declared very emphatically that something had to be done to rid Parliament of the divorce business. Amongst other things he said that Parliament was not in any sense a Court and that the best human interests could not be safeguarded by a Committee of Parliament as well as they could be in the Courts of the country. While the Prime Minister was very definite that divorce should go to the Courts, he demurred at passing a law granting Divorce Courts to Ontario unless Ontario had made the request for such Courts, and presumably for political reasons voted for the amendment against the bill.

Today we will be working on the estimates of Public Works. Another amendment to going into supply is expected next Tuesday. Private Members day having been cut off, leaving many orders on the Order Paper unconsidered, it is likely that Members in whose names those resolutions stand will take the opportunity, on the motion to go into supply, to move their resolutions, and if they all take this course, this will not be a very short Session of Parliament.

SCHOOLS BILL IS WITHDRAWN AT LAST MOMENT

As the final act of the session of the legislature, which was prorogued as midnight was drawing near on Thursday, Hon. Perren Baker, minister of education, withdrew from the order paper the new School Act. The minister's action was not unexpected, and was the direct result of conferences held by United Farmers of Alberta members during the recent legislative recess and which came to a head at a party held on Wednesday morning.

In making his announcement the minister said that the government had been prepared to enact the measure if it had been found that there was general approval of it, or if no great opposition developed.

However, the government at all times had been willing to withdraw it for another year to permit of more discussion, and in the hope of having public opinion crystallize more substantially in its favour.

It had been deemed advisable in the interests of education to withdraw it and review the whole educational system in the coming year.

The existing Act was amended in one clause, providing for a board of reference for teachers.

The new Act made its appearance in the legislature last year, but no effort was made by the government to push it, and it was withdrawn as it stood ready for second reading. This year it progressed one step further, to the committee of the whole assembly, where it was when withdrawn on Thursday.

MRS. MCKINNEY TO BE HONORED

The women of the province are full of enthusiasm over the project of having the portrait of Mrs. McKinney painted and presented to the Legislative Building at Edmonton, and hope to have this accomplished before the end of this year. Mrs. McKinney has been chosen for this honor on account of the fact that she is the first woman to be elected to any Legislative Assembly in the British Empire, when in 1917 she was

Could not Eat or Sleep after Husband's Death

Her husband's death left her very run down in health, unable to eat or sleep much. Now she is brighter in spirits and eats and sleeps well. What caused the difference? Let her answer in her own words:—
"I think Kruschen Salts are a splendid tonic. After my husband's death in December last I became very run down in health. I had terrible fits of depression and was unable to eat or sleep much. I was also troubled with rheumatism. I decided to take Kruschen Salts and have now taken the little daily dose for nearly two months, during which time my health has greatly improved. The rheumatism has completely left me. I am much brighter in spirits and both eat and sleep well.
"When life begins to 'get you down,' when you begin to feel the results of modern artificial conditions—errors of diet, worry, overwork, lack of exercise, then you should turn to Kruschen Salts. They possess a wonderful power of giving new life, vitality to the countless millions of cells of which the human body is composed. The way to keep smiling is to take Kruschen Salts every morning—just a pinch in your first morning cup of coffee or tea."

FREE TRIAL OFFER

If you have never tried Kruschen—try it now at our expense. We have distributed a great many small bottles of Kruschen Salts, and it is easy for you to prove our claim for yourself. Ask your druggist for the new "GALAXY" size. This consists of our regular 75c bottle together with a separate trial bottle—sufficient for about one week. Then, if you do not like it, return the trial bottle and get your 75c bottle back. Your druggist is authorized to return your 75c bottle immediately and without question. You have tried Kruschen Salts at our expense. What could be fairer? Manufactured by Dr. G. H. Kruschen, Ltd., London, England. Importers: McMillan & Co., Ltd., Toronto.

liament as well as they could be in the Courts of the country. While the Prime Minister was very definite that divorce should go to the Courts, he demurred at passing a law granting Divorce Courts to Ontario unless Ontario had made the request for such Courts, and presumably for political reasons voted for the amendment against the bill.

Today we will be working on the estimates of Public Works. Another amendment to going into supply is expected next Tuesday. Another Real Stage Find to Be Starred by Wetaskiwin Players at Audien on Wednesday Next

There'll be neither cats nor canaries on the stage at The Audien next Wednesday evening. So what's in a name? Every play must have a title, so John Willard, hero of the late war and stage luminary, selected "The Cat and the Canary" as the name of his vehicle of dramatic entertainment which took New York by storm and held constant sway at The National Theatre for two solid years with nary a vacant seat. And it is this selfsame continuing success that The Wetaskiwin Players (local talent sponsored by the Royal Order of Moose No. 1559) will present at The Audien theatre next Wednesday evening under joint auspices of L. O. O. M. and W.O.M.L.

Last November this company jammed the theatre, despite boisterous weather conditions, and at dollar top prices. Having met the tremendous initial expense and turned over a tidy profit running into double figures, the committee in charge has decided to prune down the prices of admission. All of which means that the last-minute ticket buyer runs a big chance of having to take in the show from outside.

Possibly you have never stopped to think that this company has been of advertising value to this city in boarding the train to show their wares in such places as Camrose, Lacombe, and Ponoka, being urged to make return engagements. It's a big undertaking, and our local theatres deserve the hearty support of our citizens, if for no other reason.

The talent contained within the ranks of The Wetaskiwin Players is well known to those who saw or heard about "Turn to the Right," their offering here last November. There have been but few changes in the personnel of the company. However, in the debut of Joyce Arrowsmith in the role of Annabelle West, the outstanding character in the play, the Players promise the audience another real "find," and Herb Chandler, who is well-known for his histrionic ability, is another new member.

B. W. Bellamy (who directs the company) in what might be termed a "Harold Lloyd" character, along with Nan Drole, who made such a successful debut as Betty Bascom in "Turn to the Right," share honors in the principal comedy roles, with George Thompson, Wally Mountain, Mae Biddle, Ed. Peterson, Mary Edwards and Roy Cresswell all having strong

parts in the more dramatic elements of the plot.

While "The Cat and the Canary" is a play of mystery, there is a big run of comedy and many intensely humorous situations to relieve the tension. The Edmonton Journal recently referred to this play as "admittedly the best one of its kind ever written," and The Bulletin said that "it is without a doubt the outstanding popular favorite of all plays produced within the past twenty years." Special scenery and special lighting effects are under the direction of the company's own specialists, which in itself assures a successful presentation.

The reserved seat plan is now open at The Northern Drug Store (J. W. Somers).

WINFIELD

The Winfield Trading Co. has established its headquarters in the hall for the present. We understand the hall has been rented from the owners, Engler and Taylor, until fall. In the meantime, the corner lot (where the store was burned recently) will be leveled, and a new store erected this summer.

Mr. and Mrs. Roy Gibbons and family are now living on the farm formerly occupied by Mr. I. O. Gibbons. The latter family are now residing in town.

Miss Ivy Hallgren has accepted a position in Red Deer, and will leave shortly for that city.

Mr. C. W. Brinkner journeyed to Millet recently.

Under the capable direction of Mrs. Stady and Mrs. Lal, plans are being made for a special song service at Easter.

The regular monthly meeting of Winfield Local U.F.A. took place at the home of Mr. and Mrs. Taylor. A debate, "Resolved: That modern girls are to be preferred to old-fashioned ones," was the high light of the evening.

Mrs. Francis and Mrs. Ayre spoke for the affirmative, while Mrs. Martin and Mrs. Taylor upheld the negative. The judges decided that the result be a draw.

Miss Mildred McNabb has been on the sick list last week.

Miss Winnifred Clarke had the misfortune to injure her thumb severely last week.

Mrs. Arthur Jones and small sons arrived from Red Deer recently to take up residence near our village. Mr. Jones and sons have been busy erecting a house against their arrival.

The compliment Miss Ivy Hallgren, who leaves for Red Deer soon, Mr. and Mrs. E. A. Taylor entertained at a whist one evening last week. Among those present were Miss Ivy Hallgren, Miss Violet Hallgren, Miss Elvira Larsson, Messrs. S. Bode, B. A. Stady, J. B. Olmstead and H. W. Lee.

Mr. and Mrs. H. Ross of Edmonton, visited their daughter, Mrs. E. M. Ayre, recently.

The teachers for Maywood and Penderby arrived in town to begin school April 1st. No doubt a flurry will be caused among the eligible bachelors of above districts.

Messrs. Cecil and Clifford Ross visited their sister, Mrs. E. M. Ayre, last week.

The Willing Workers of New Norway called a meeting on April 2nd and organized a Tennis Club for the young people of the town, with Harry Willis president, Don Downing secretary and Raymond Campbell treasurer.

Various other committees were appointed and a good deal of enthusiasm was shown.

Mrs. Black of New Norway, entertained Tuesday afternoon in honor of Mrs. Neven, who is leaving to make her home in Camrose.

Mrs. John Martz of Dahamell, is seriously ill in the Camrose hospital. Mr. and Mrs. J. Boreth of Zion neighborhood, Mrs. Neven and Emma, and the Ramsey and Oistad families of New Norway, attended the silver wedding of O. Stangstad on April 2nd, at Dorenele. Rev. A. Larson of Camrose, gave an address. Their many relatives and friends were royally entertained.

Miss Marguerite Gillis, who has been visiting at the M. McIntyre home, returned to her home at Yeoford last Wednesday.

Mrs. Frank Thorne and small daughter, are visiting this week at the home of Mrs. Meyer home, and with other relatives.

Miss Dorothy Butler left on Saturday for Ryley, to visit her sister, and family, Mr. and Mrs. N. Solberg.

Miss Anna McIntyre is visiting friends at Millet this week.

Mr. Walter Potter, who has made his home with the Burnham family since they moved here a year ago, left on Saturday for his old home at Lesterville.

Mrs. John Goetz returned on Monday from Calgary, where she has spent the past week.

Miss Eva Turner of Ferintosh, is spending a few days visiting her friend, Miss Jewell Campbell.

Miss Fannie Levo spent several days last week at the G. Holt home.

Mrs. Ed. Meyers and baby have been on the sick list for several days. The friends of Mrs. Henry Bowker will be sorry to hear she is confined to her bed with the flu. Mrs. Andrew Jarvis is nursing her and attending to the house work.

Word was received here last week from Vancouver, that a baby daughter had arrived at the home of Mr. and Mrs. Arnold Trussler on March 30.

Mrs. Raymond Johnson and Lois Evelyn, returned last Friday from a three months' visit with relatives at Trout Creek, Ont.

The Zion Community Club played "The New School Man" at Ferintosh last Friday evening. After the program they were entertained to a bountiful supper at the J. Johnston home.

Mr. W. R. Johnston drove a new Nash car down from Edmonton last Saturday.

Seeding of wheat was started by several here on Monday. It still keeps very dry and windy.

The Zion Ladies' Aid meets April 17th, at the M. McIntyre home.

Little Elsie Carnell spent last week at the Emil Pearson home.

Mr. Basil Wright and G. Holt were in Edmonton last week.

Mr. Myron Campbell left Monday for Winfield, where he is putting in a crop this year.

Mrs. Joseph Stromberg spent several days last week visiting friends in Edmonton.

S. S. Beller of Gwynne spent the weekend at the O. D. Campbell home.

A disastrous fire, thought to have been caused by an oil burner, completely destroyed the large barn of W. R. Wilson, 6 miles S.E. of New Norway, on Sunday, while the family were attending church. The contents consisting of nine head of horses, a small calf, all harness, feed and seed, as well as a complete line of machinery, threshing machine and tractor, went up in flames with the barn. The sympathy of the entire neighborhood is extended in such a loss as this.

The C.W.L. of Dahamell are holding a card party at the John Trautman home Tuesday evening of this week.

Mr. B. Miller went to Camrose on Saturday to spend several days visiting his sister.

Mrs. Jess Meyers entertained several little school mates on Monday, April 7th, in honor of little Miss Greta's eighth birthday. A pleasant time was spent at game and before departing for home, the guests were served with a dainty lunch.

BITTERN LAKE

E. W. Alm is the wood champion in Bittern Lake, as he has just finished sawing up 150 loads of wood.

Robert Elgert was seen harrowing on March 31st. No doubt spring work will be general in a few days.

Fred Klatt has rented Bill Morrow's farm for another year.

Mr. and Mrs. T. Elgert were Wetaskiwin visitors on Wednesday.

Alfred Ireland was seen in Bittern Lake on Friday.

C. G. Holmstrom went to Edmonton on Monday, where he will visit with his brother.

Alex. Kobasuek made a business trip to Camrose on Wednesday.

Earl, the five-year-old son of Mr. and Mrs. A. L. Peterson, accidentally hit his thumb while playing with an axe. He was taken to Camrose and it was found that three stitches were required to close the wound.

The Alberta Machinery Co. are busy putting up a windmill for E. W. Alm. The farmers are taking advantage of our windy prairies.

Mr. and Mrs. W. Wickland spent the evening with Mr. and Mrs. Albert Carlson on Thursday.

Miss A. E. Depenceler's mother, Mrs. M. L. Depenceler of Bowden, has taken up residence in Wetaskiwin, where she intends to reside in the future.

Clarence Gouche left for Wetaskiwin Friday morning. When he will return is hard to say.

The Bittern Lake Amateur Dramatic Society are staging a three act

comedy in the Bittern Lake Community hall, entitled "The Adventures of Grandpa," on Friday night, April 11th.

Bill McNary has gone south for the summer.

H. C. McNary has rented his farm to Mr. Graham, Camrose, Bait.

Pit Motoka has returned from Lacombe, where he has been spending the winter, and is going to work on the section.

H. Green was visiting in Edmonton on Saturday.

Mrs. V. Peterson visited the latter part of the week with her parents Mr. and Mrs. Bengtson, in Wetaskiwin, her father being in poor health.

Gunnar Holmstrom surprised his many friends by leaving unexpectedly for Uncle Sam's country, to visit with relatives in Tacoma, Wash. We all wish him God speed on his journey and a safe return.

NEW SWEDEN

We are very sorry to learn that Mr. Linstrom is in the Wetaskiwin hospital, having been operated upon for appendicitis.

Mrs. A. Swanson is visiting with her sister, Mrs. Emil Anderson.

The Young People's Society met at P. Pearson's on Friday evening.

Mr. and Mrs. Hjalmar Anderson, of Edberg, visited in New Sweden and Wetaskiwin over the weekend.

Mr. and Mrs. Roy Harris were the guests of Mr. and Mrs. Albin Swanson on Sunday.

Mr. and Mrs. R. Peterson spent Sunday at Bittern Lake visiting the former's brother.

Mr. and Mrs. J. Haukedahl were New Norway visitors last week.

Mr. and Mrs. Clarence Glodt motored up from Ferintosh on Sunday.

Quite a number of the young people attended the services conducted by Mr. Wickstrom in the Pentecostal hall on Sunday afternoon.

Mrs. Albin Anderson and Alma were visitors at H. V. Lofgren's on Sunday.

BRIGHTVIEW

The young people of Brightview are staging a secular concert on Monday evening, April 21st, at 8 p.m. in the Bigstone school house, 9 miles west of Wetaskiwin. The concert will consist of solos, duets, quartettes, monologues and various dialogues. All are welcome.

FALUN

The April meeting of the Falun Women's Institute, held at the home of Mrs. O. Mattson, on Saturday last, was well attended by 17 members and a number of visitors. The meeting opened with the singing of "O Canada," followed by the business of the day. The roll call was "A variety of vegetable." Misses N. Timofeev, A. Elund and T. Holmlund, gave interesting demonstrations on the making of paper flowers. The next meeting is to be held at the home of Mrs. R. Cronquist, Saturday, May 1st.

Mrs. O. Mattson, Mrs. A. Chapman and Mrs. C. Isacson were hostesses. The many friends of Mrs. M. Leavenworth are very sorry to hear that she is confined to her bed with rheumatism.

Mr. C. Isacson was in Edmonton last Thursday and Friday on a business trip.

Little Jackie Steedman spent last week with his uncle, Mr. J. A. McGee, of Westero.

Mr. G. Forsell has purchased a new tractor, and is well under way with his spring work.

HARVEST HOME

A very pleasant evening was spent at the home of Mr. and Mrs. John Maynard last Friday. About forty of the neighbors gathered and the evening was spent in playing cards and dancing. The prize-winners were: Ladies' 1st, a draw between Mrs. H. Williams, Mrs. L. Maynard and Mrs. C. Maynard. Mrs. C. Maynard drew the lucky card. Gents 1st was captured by Mr. Ray Cartwright. Clarence Maynard and Miss V. Olson had a walk-away in winning the boobies.

Mr. Arthur Norman of St. Paul, is in the neighborhood on business, and is going to motor back. He says there is lots of snow out there yet.

Wm. Howarth is wearing a big smile these days. It's a boy.

Mr. W. Cowan and sons have returned home from west of Edmonton, where they have been picking ice, and where they intend to do summer fishing.

Miss A. Denton is spending the week with her sister, Mrs. Ed. Hagstrom, who is ill.

Died, on Sunday, Lawrence Maygards old ewe.

Mrs. M. Plant has returned to her home in the Harvest Home district.

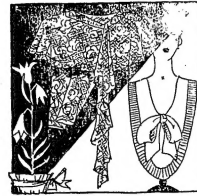

Mr. Eden and John Olson and Willie motored to Pigeon Lake last week.

High River, April 9. — Squadron Leader Tudhope left High River air station for Ottawa at 8:45 a.m. Wednesday. Last Sunday he flew to Edmonton from the local station and from there swept south and west over the mountains. His stops were Kamloops, Vernon and Fernie. He arrived from this survey in High River on Tuesday.

Isn't it taking a great deal for granted to think that I'm in love with you? — Annelle West in "The Cat and The Canary."

Town Topics

T. A. Russell of Toronto, visited with his cousin, C. H. Russell of Wetaskiwin, last week.

E. E. Chandler returned Monday after spending several months with relatives in Oregon. His host of friends regret his visit to the States did not prove as beneficial to his health as hoped for.

The Battle of Vim Ridge was celebrated by the Wetaskiwin Post No. 86, Canadian Legion, by a dance in the Elks' hall on Wednesday evening. Over two hundred were in attendance, and an enjoyable reunion of the veterans took place. The music was furnished by Harvey's orchestra, and a very tasty luncheon was served.

At a special meeting of the Town Council, held on Thursday last, Mr. C. C. Planché of the Calgary Power Co. made a new proposition with regard to the proposed water and sewer system for Innisfail. The outstanding feature of the new proposal is a reduction of \$14,000.00 for the construction of the sewage system and disposal plant. This reduction on the face of it would look as though the proposition was now within the financial possibilities of the citizens without becoming a serious burden.—Province.

With a view to improving the dairy stock of the district and increasing production of dairy products, the Wetaskiwin Creamery Company have brought to Wetaskiwin this week one of the finest cars of purebred Jersey cattle that has been shipped into Alberta.

This car of Jerseys was hand picked by Mr. E. A. Dunvill of Sandis, near Chilliwack, B.C. (one of the best known and largest Jersey breeders in the Dominion) and all are high class animals. They are all blood tested and guaranteed free from T.B., have R.O.P. Records or from R.O.P. stock.

These Jerseys were brought in by the Creamery Company for a number of their patrons who have decided that the Jersey cow will make them more money than other breeds of cows, as they will produce more butterfat for less money, therefore being more profitable.

RED CROSS REPORT FOR 1929

The annual report for the past year is off the press, and provides much interesting matter for the friends of Red Cross and those who are interested in the welfare of children. Some striking statistics are presented in the address of Col. Biggar, the National Commissioner, who emphasized the tremendous importance of Red Cross in stimulating a health consciousness and thus preventing diseases which were largely preventable. This must be reduced, and it is the special duty of Red Cross to reach the young through the Junior Red Cross, the voice of being well and remaining well, this being the aim and object of all health instruction.

BANDITS GET BULLION

Sydney, New South Wales, April 9. —Australia experienced an old-fashioned train robbery, Monday night. Two armed men masked bandits jumped aboard a moving express at Emu Plain station and took about \$25,000 in bullion.

ADDRESSES GIVEN

Camrose, April 4.—L. Hutchinson, Camrose district director of Alberta Wheat Pool, spoke to a large gathering of farmers in the Elks' Hall yesterday afternoon on pool matters, and gave an interesting address. In the opinion of the speaker, to force non-pool farmers into the pool would be a mistake and too communistic in action. Fifty per cent of willing members is better than 100 per cent divided in spirit, he said. He spoke at length, claiming it would be unwise for the pool to go into the milling business.

DEATH ENDS TWO YEARS OF UNCONSCIOUSNESS

Minneapolis, Minn., April 8.—Death has ended a two-year fight to restore an injured man to consciousness.

The patient, George Presto, 75, accountant, of St. Paul, had been in a coma since Jan. 10, 1928, when he was struck down by a motor bus. Twice a day since the accident Mr. Presto has been fed artificially.

EDMONTON LAD IS 'SHOT AND KILLED'

Edmonton, April 9.—Shot through the heart by a bullet from a heavy .44 calibre army service revolver, held in the hands of a playmate in the latter's home here, Tuesday afternoon, Keith Watson, age seven, son of the president of the Edmonton Gyr club, was killed instantly.

The revolver was being shown to the Watson boy by Kenner Ames, age six, in the Ames house.

The Shortest Thing in the World

NO, not a gnat's eyelash neither is it mosquito's whisker—public memory

You may have been in business for fifty years and the people know about it. But they forget—new customers are being born every minute and they grow up and have to be told.

A NOTE TO MERCHANTS

Unless you keep telling them by Advertising what you have to offer them, the fellow who has only been in business fifty weeks, and who advertises intelligently will prove to you the truth of it.

YOU MUST TELL THEM TO SELL THEM

To Identify Genuine Aspirin

The increasing use of Bayer Aspirin every year is proof that it has no ill effects. It is the accepted antidote for pain. It always helps; never harms; is safe to use freely as often as it is needed. Quick relief whenever you've a headache, or cold; or are suffering from neuralgia or neuritis. (The distressing pains of rheumatism yield, too, if you'll only give these tablets a chance. But be sure to get genuine Aspirin. It has the Bayer Cross on every tablet. Look for the same Bayer on the box, and the word "genuine" printed in red. Proven directions inside.

Aspirin is the trade mark of Bayer Manufacture of Monocrocinolide of Salicylic Acid

IMPERIAL OIL CO. CONFERENCE HERE

The representatives of the Imperial Oil Company of central Alberta held a conference in the Driford Hotel on Tuesday of this week, with an attendance of about fifty. The business sessions were held in the reception room, while an excellent luncheon was served in the banquet room at 12:30, there being about sixty plates. Representatives from Edmonton, Calgary and Winnipeg were present and gave addresses and a very successful and enjoyable convention is reported.

FORESEES TIME OF 50¢ WHEAT IN WEST

Winnipeg, April 8.—In another generation only one per cent of the population of Western Canada will be required on the land. Farm units will be larger, probably 640 acres minimum. Machine power will have almost entirely replaced man power. Canadian farmers must now bend all their energies to lower production costs or be prepared to lose their land to Russia and the Argentine, which are going intensely in for mechanization of farming.

These are some of the statements made by A. E. Ottewill, registrar of the University of Alberta, in an address before the members of the Canadian Club of Winnipeg, at luncheon on Monday, Mr. Ottewill forecast the day of 50 cent wheat produced at a profit on huge mechanized farms in Canada, Argentina and Russia.

Mr. Ottewill speaks with the authority of one who has been for sixteen years director of university extension work in Alberta in the course of which he has traveled into every corner of the province. In these sixteen years he has noted a change in agricultural conditions which, he declared, is with astonishing rapidity developing to the proportions of an industrial revolution.

STATES AHEAD TOURIST TRADE

Washington, D.C., April 9. — Canada, by advertising, he persuaded to increase her annual tourist expenditure of about \$85,000,000 in the United States?

Representative Dyer asked this question, and he is convinced that not only Canada, but other foreign countries, will spend more money traveling in the States if an organized effort is made to secure the increase.

Dyer has introduced a bill to create a federal travel division in the bureau of foreign and domestic commerce. The division would work with railway, steamship, highway,

TENDERS FOR COAL

SEALED TENDERS addressed to the Purchasing Agent, Department of Public Works, Ottawa, will be received at his office until 12 o'clock noon, Wednesday, April 23, 1930, for the supply of coal for the Dominion Buildings and Experimental Farms and Stations, throughout the Provinces of Manitoba, Saskatchewan, Alberta and British Columbia.

Forms of tender with specifications and conditions attached can be obtained from G. W. Dawson, Chief Purchasing Agent, Department of Public Works, Ottawa; H. B. Matthews, District Resident Architect, Winnipeg; Man.; G. J. Stephenson, District Resident Architect, Regina, Sask.; Chas. Sellens, District Resident Architect, Calgary, Alta.; and J. G. Brown, District Resident Architect, Victoria, B.C.

Tenders will not be considered unless made on the above mentioned forms. The right to demand from the successful tenderer a deposit, not exceeding 10 per cent of the amount of the tender, to secure the proper fulfillment of the contract, is reserved.

By order,
N. DESJARDINS,
Secretary,

A Sour Stomach

In the same time it takes a dose of soda to bring a little temporary relief of gas and sour stomach, Phillips Milk of Magnesia has acidify completely checked, and the digestive organs all tranquilized. Once you have tried this form of relief you will cease to worry about your diet and experience a new freedom in eating.

This pleasant preparation is just as good for children, too. Use it whenever coated tongue or fetid breath signals need of a sweeter. Physicians will tell you that every spoonful of Phillips Milk of Magnesia neutralizes many times its volume in acid. Get the genuine, the name Phillips is important. Imitations do not act the same!

PHILLIPS
Milk
of Magnesia

hotel and automobile associations. It would assemble exhibits to be shown abroad, especially in Canada, and its purpose in general would be to "investigate, encourage, promote and develop travel by foreigners in the United States."

TEACHERS' CONVENTION IN CALGARY

The Twentieth Annual Convention of the Alberta Education Association which meets in Calgary Easter week offers the teachers and others interested in education an opportunity to hear an educationist of outstanding ability and reputation. In Dr. Boyd H. Bode of Ohio State University, whose life work is the training of teachers.

Dr. R. C. Wallace, the President of our own University, will be heard for the first time by Alberta Teachers and the Executive has arranged a discussion for Thursday morning by outstanding educationists on the validity of our educational objectives.

The Excelsior Glee Club will furnish a treat on Wednesday evening for the lovers of song, and the city should offer an attraction for visitors for the Easter season, and last but not least, the opportunity of renewing friendships formed at the seats of learning.

Excavation work began Monday morning on the Dominion government postoffice site, corner of Main street and Alberta avenue. The subcontract for the preliminary piece of work was placed in the hands of Chris Pether, a local man. The excavating is being done with men and teams. The whole contract was let to Scanlan & Kennedy of Medicine Hat—Camrose Canadian.

The Times' subscription list is open at all times for inspection by its advertisers. Remember this when you wish to advertise.

NEWSPAPER LAWS

Excerpts from Newspaper Law, printed for the benefit of any reader who may have mistaken ideas regarding same:

1. A postmaster is required to give notice by letter (returning the paper does not answer the law) if the subscriber does not take the paper out of the post office and state the reason for its not being taken. Any neglect to do so makes the postmaster responsible to the publisher for payment.

2. If any person orders his paper

discontinued he must pay all arrears or the publisher may continue to send it until payment is made and collect the whole amount whether the paper is taken from the office or not. There can be no legal discontinuance until payment is made.

3. Any person who takes a paper from the post office, whether directed to his name or another, or whether he subscribes or not, is responsible for payment.

4. If a subscriber orders his paper stopped at a certain time and the publisher continues to send it, the subscriber is bound to pay for it if he

takes it out of the post office. This follows the principle that a man must pay for what he uses.

GOLF MEETING

A general meeting of all those interested in the game of golf will be held at the Driford Hotel on Monday evening, April 14th, at 8 o'clock, when important business will be considered. If you are a golfer, your presence is urged to attend.

R. E. SCHMITZ, Secretary

WINDOW HOME

Only that morning Doris had been writing at her machine when the manager came to her desk: "Get your time, Miss Wells. We have another girl for your desk. I'm sorry, but I can't stand it to see a girl as little as you are doing that mammoth amount of work every day! It's too much for you."

A hundred answers had sprung to Doris' lips; Wasn't it better to have a hard job than none at all? Hadn't she done the work well, cleaning up

Head Colds relieved with vapors

SNUFF a little Vicks well up the nose or melt in a spoon or cup of hot water and inhale.

For other cold troubles rub Vicks on throat and chest.

2 ways at once
VICKS
VAPORUB
OVER 12 MILLION JARS USED YEARLY

everything at 5:30 every evening before she left for the day?

And back in Windermere—Doris sighed. She could have kept on with her job there only it had sickened her to see the girls all making such a dead "set" at Wayne Griswold. Wayne Griswold was the son of the town's mayor. The mayor owned the lumber yard, the coal yard, the ice plant, was president of one bank and a director on the other one—oh, Wayne Griswold was undoubtedly a good "catch" and well worth hunting down, but Doris would never hunt down any man, she told herself.

At this moment Doris passed a window where a large sullen girl was throwing flour on a bright green rug before she ran the sweeper over the floor to prove to the onlookers what a good vacuum was for sale within. The manager of the store, to guess from his assured bearing, entered the window at this instant and said something that apparently displeased the demonstrator.

The girl stared at him coldly for a moment, shrugged her shoulders and threw with some temper all of the flour in the box at hand on the green carpet and walked out of the little door at the back of the window. Doris smiled. She almost ran into the shop.

"That demonstrator has left her job," she asked of the man who was by now following the large girl out of the window.

"Yes," he said shortly.

"Then I'd like the job," said Doris promptly.

"But you—you're too little to stand there all day demonstrating that thing," he said doubtfully.

"It doesn't take any great amount of strength to run a vacuum back

and forth," said Doris, "and, besides, when people see a tiny woman doing the work they will have no doubt that they can do it if they are of even ordinary size."

"You win," said the man grinning. "Ready to work now?"

"All ready," said Doris. "Only that's a silly window advertisement. If you happen to ask my opinion. Sensible folk don't pour flour on a good rug and then take it up again. That display doesn't come within folks' experience. Now if you put a little partition between the two halves of the window and make one half up to look like a garden with a large sand box and, say, a couple of puppies playing in the sand—a couple of boxes would insure their digging there—and then have me at the piano or at a sewing table when the dogs run in, bringing sand on their feet. I clean up the sand with the vacuum and—presto—the sales will run up something amazing."

"We'll try it," the man assented. "I'm not sure it will work, but sales have been a little slow—"

"Yes, because people have seen that flour stunt so often that they pass right by the window," said Doris. "More than that, folks always stop to look at dogs."

Doris pulled over a little sewing table close to the comfortable day-coort and sat down to wait there while the dogs got their feet covered with the dampened sand. She did not notice a familiar face outside of the window looking at her in amazement. She could hear voices in the store and she smiled. That meant customers!

When the little door at the back of the window opened she turned her head. Was the manager coming to congratulate her on her idea or to dismiss her as he had dismissed the other demonstrator? When her amazed eyes saw Wayne Griswold there she sat down again rather suddenly in the deep cushions.

"If you want to make a home as much," Wayne was saying awkwardly, "why don't you make one for us instead of a window home for every Tom, Dick and Harry to stare at?"

"I tell you this is a proposal," said Doris with a little smile at his embarrassment.

"You take it rightly," he said grimly. "And you come along with me or I'll kiss you right in the window for everyone to see! The idea of you chasing off to the city here without telling me your address. Only the merest chance I found you at all!"

"But-but," stammered the store's manager when Doris resigned a few moments later, "I—you can't leave now! The sales are beginning to pour in. I'll tell you—I'll take you both on and we'll have a real domestic scene."

"My father is mayor of Windermere, Ill.," said Wayne Griswold coldly.

"Is that so?" asked the manager. "I never heard of the town, but I'd make you the same offer if your dad was mayor of Chicago! That girl has ideas!"

And the last Doris saw of her job the manager was pushing the vacuum cleaner back and forth over the sand the dogs had brought in, and a hand-lettered sign said: "My wife's away!"

What Will you do

When your Children Cry for It

There is hardly a household that hasn't heard of Castoria. At least five million homes are never without it. If there are children in your family, there's almost daily need of its comfort. And any night may find you very thankful there's a bottle in the house. Just a few drops, and that colic or constipation is relieved; or diarrhea checked. A vegetable product, a baby remedy meant for young folks. Castoria is about the only thing you have ever heard doctors advise giving to infants. Stronger medicines are dangerous to a tiny baby, however harmless they may be to grown-ups. Good old Castoria! Remember the name, and remember to buy it. It may save you a sleepless, anxious night. It is always ready, always safe to use; in emergencies, or for everyday ailments. Any hour of the day or night that Baby becomes fretful, or restless, Castoria was never more popular with mothers than it is today. Every drugist has it.

Fletcher's CASTORIA

5,000 IMMIGRANTS FOR NORTH ALBERTA REGISTER IN YEAR

Surging into the rich north country at a record rate, nearly 5,000 new settlers registered at the immigration hall during the fiscal year which ended March 31, according to information obtained from C. J. Whiddon, agent in charge here. This number was an increase of about 1,000 on the year previous.

The annual report shows that total registrations for the twelve-month period were 4,959, while the year previous the total was 4,029.

LEGISLATURE IS GUARDED AFTER COMMUNIST THREAT

Edmonton, Alta., April 4.—Following information received by the Alberta Provincial and Edmonton city police forces to the effect that local representatives of the Communist party who, for the last three days have paraded to the Legislative building, demanding \$25 a week for each married man, \$5 a week for each child and \$15 a week for each unmarried male and female, and in addition, free light, rent and gas and a guarantee from eviction for non-payment of rent, were contemplating entering the legislative chamber by the infiltration process, and then when filling the galleries, staging a demonstration, doors of the legislative chambers were closed to the general public on Thursday night. About 50 Communists gathered outside the government building and many endeavored to gain admittance.

CALGARY BULL SALE SUCCESSFUL EVENT

Calgary's 30th annual sale of purebred bulls can be recorded as a successful event. A total of 531 animals went to purchasers in this and other of the Western provinces for a grand total of \$115,475.00, an average of \$217.47.

The Hereford breed proved the better sellers, 218 of these bringing an average of \$304.55. Aberdeen Angus followed with an average of \$177.45 for 49, and 257 Shorthorns brought \$155.15 each.

ALBERTA HAS FIRST TEAMS ON THE LAND

Winnipeg, April 3.—Alberta farmers are well ahead of others of the west in spring work on the land, it is indicated today in reports received by J. H. McKay, general agricultural agent of the Canadian Pacific Railway and issued from his offices in Winnipeg. Seeding has already started at several southern points, with plowing and harrowing in progress in more northerly district, at Tees, on the Lacombe subdivision between Calgary and Edmonton.

HOUSE ADJOURNED THURSDAY NIGHT

Edmonton, April 4.—The fourth session of the sixth legislature of the province of Alberta was prorogued at 11:30 p.m. on Thursday by His Honor Lieutenant-Governor William Egbert. The end came after a busy afternoon session and lengthy evening sittings. Prorogation ceremonies were brief. His Honor proceeded direct to the Speaker's throne and gave his assent to the numerous bills enumerated by Robert Anderson, clerk of the legislative assembly.

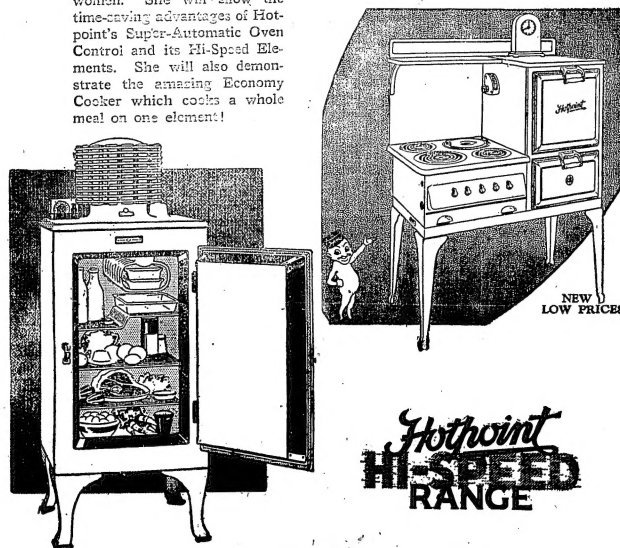

He then thanked the members for their loyalty and devotion to duty

Demonstration of Electric Cookery and Refrigeration

By Miss Frances Thompson

HERE is an unusual opportunity to hear a public lecture on modern methods of cooking and food preservation. Miss Frances Thompson, noted Home Economist of the Canadian General Electric Company, will give a practical demonstration which will be of interest to every housewife. The time and place are stated below.

For the cookery demonstration Miss Thompson uses a Hotpoint Hi-Speed Range . . . the range designed by women for women. She will show the time-saving advantages of Hotpoint's Super-Automatic Oven Control and its Hi-Speed Elements. She will also demonstrate the amazing Economy Cooker which cooks a whole meal on one element!

GENERAL ELECTRIC

ALL-STEEL REFRIGERATOR

Another feature of Miss Thompson's lecture is a demonstration of the proper use of electric refrigeration not only in keeping foods safely and healthfully cold but also in the preparation of delectable frozen desserts. In this purpose she uses a General Electric Refrigerator and points out its many superlatives, including an accessible freezing regulator and a Vegetable Pan.

You are cordially invited to hear Miss Thompson and to profit from her interesting talks on home economies.

ALBERTA PROSPERITY NOTED BY C.P.R. HEAD DURING VISIT

Winnipeg, April 4.—A general condition of quiet confidence is apparent in the West, coupled with the evident expectation that with the opening of spring there will come a marked improvement in all lines of activity, said D. C. Coleman, vice-president, West-

ern lines, of the Canadian Pacific Railway, who returned to Winnipeg on Thursday morning after a business visit of some weeks' duration in the West.

In South Alberta and South Saskatchewan, Mr. Coleman said, snow has been completely cleared away by warm weather, continuance of which will bring a large number of farmers to work on the land within the next week or 10 days. Actual seedling has been commenced at Seven Persons, in the Taber district, at Carleton, in the Brooks division, and some parts of the Bassano and Empress districts, all in South Alberta. Plowing and harrowing is in progress at at least one central Alberta point, in the Lacombe district.

"On the Pacific Coast," Mr. Coleman said, "I found that high hopes were being built on the proposed visit of the Canadian Chambers of Commerce to the Orient this fall. It is felt that such a contact will accomplish a great deal in developing trade between Canada and the Oriental countries by establishing a friendly understanding and closer relationships between the traders of the hands affected."

While on the subject of the Orient, Mr. Coleman said that he found the coming of the ship, Empress of Japan, was eagerly awaited on both sides of the Pacific, as it was bound to place the Canadian-Pacific service of the Canadian Pacific, which already holds the blue ribbon for speed in Western waters, still further ahead of any competing services sailing under the flags of other countries.

WHY KEEP OLD HENS?

In discussing methods of increasing egg production F. C. Eiford, Dominion Poultry Husbandman, asks the very pertinent question, "why keep old hens?" He provides the answer by citing official figures from tests conducted by the Experimental Farms Branch of the Dominion Dept. of Agriculture showing that when pullets are tested against hens the average yearly profit over cost of feed is, for the pullet \$3.34 and for the hen, \$1.06; presented in another way, it costs 20 cents to produce one dozen eggs through pullets as against a per-dozen cost of 35 cents with old hens. It is also pointed out that it takes 60 eggs to pay for the cost of the bird, and any pullet or hen which doesn't lay at least this number is just a bill of expense. There are a number of good ways of getting hens that will lay a profit over their cost and keep.

ABSORBING WORK OF A RETURNING OFFICER

(Research Bulletin)
Notes on a Recent Election
(By Chas. Ed. K. Cox, City Clerk, Edmonton)

Council Chamber; present, a small group of citizens.
Time, 11 a.m., Monday, December 2nd, 1929.

"This meeting is called for the nomination of persons to fill the offices of Mayor of the City for the ensuing year, and of five Aldermen for the next ensuing two years; Also of four Trustees of the Edmonton Public School District No. 7 and of four Trustees of the Edmonton Roman Catholic School District No. 7, both for the next ensuing two years."

"I am now ready to receive nominations."

Thus the Returning Officer opens the procedure for the election of representatives for 1930. Are there any candidates? Ere the clock strikes twelve there are thirty-four; viz. 4 Mayoralties, 16 Aldermen, 10 Public School, 4 Separate School. The Separate School is an acclamation so the new members go home and enjoy their new (or renewed) dignity and responsibilities. The remaining thirty-five go to their respective committees and complete their plans for the hectic campaign consisting of 26 public meetings which have been arranged by and at the expense of the city, to be completed within the 6 day cycle; this does not, however, complete their cup of woe, for Community Leagues, Womens' Clubs, Service Clubs, Workshop dinner hours, Pink Teas and Bazaars all issue commands (beg pardon, "invitations") for addresses and are seldom disappointed, at least so far as attendance is concerned though possibly the expected assurances of favours to be distributed are not all that is hoped for.

At the public meetings time is allotted according to the number of speakers, usually five minutes. It is claimed that there have been known cases where the candidate has, to his inevitable introduction of himself, (something after this style, 'm, m, 'I am John Smith and I solicit your vote') found time to add some few words on the subject of "Why I am a candidate," but the claim is not well authenticated.

The final and fateful day arrives and then comes the voter's cup of grief, for in addition to selecting a suitable representation from the choices offered he has to decide on the merits (or otherwise) of a batch of ten money by-laws and in addition decide whether or not he is in favour of the plebiscite for extending the Wednesday half-holiday.

For the taking of all these votes a staff of 107 Presiding Officers, 214 Poll Clerks, to say nothing of constables, in addition to the Returning Officer and Deputy are required and some forty polling places are used. The 8 hour day act is suspended for this occasion and operations are continued until the final count is made and double checked.

It is an exhausting day for the 'phones which are in continuous operation with questions like "Where do I vote?" "Is my name on the Voters' list?" "Can you send a car

After The "Flu" Heart Trouble Nerves In Bad Way

Mrs. G. Ford, 1241 Georgia St., W. Vancouver, B.C., writes:—"Since an attack of 'Flu' in March last I was all run down, and my nerves were in a very bad way."

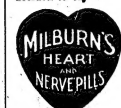

"I suffered a great deal too with heart trouble, and nothing my doctor prescribed seemed to relieve me."

"To the drug store, one day, I decided to try

and needless to say that since taking them my trouble has all vanished, and I am quite a different woman today."

"I shall always be pleased to recommend them to all who suffer as I did."

Price, 50 cents a box at all druggists and dealers, or mailed direct on receipt of price by The T. Milburn Co., Ltd., Toronto, Ont.

Dominion of Canada Income Tax Returns DUE APRIL 30th

ACT PROMPTLY—

Accept the help offered
by Income Tax Inspectors

and Avoid Penalties

Every person who during the year 1929 had an income, from any source, of as much as \$1,500, if single, or \$3,000 if married or supporting a family, is required to make an income tax return.

If you are situated as above described, failure to make this return by midnight, April 30th, together with cheque or cash for at least 25% of amount of tax, will render you liable to a penalty equal to 5% of the total tax payable. (Limit of penalty \$500.)

To avoid incurring this penalty, obtain NOW, from your postmaster, or from the Inspector of Income Tax in your district, the necessary forms and make your returns at once. These forms are as follows:

- Form T1** For Individuals other than Farmers and Ranchers.
- Form T1A** For Farmers and Ranchers only.
- Form T2** For Corporations and Joint Stock Companies.

Each form contains in itself instructions for filling out.
By making your return by April 30th you gain in two ways:

- First**, you avoid penalties for delay.
- Second**, you qualify yourself for the privilege of paying in instalments.

INCOME TAX INSPECTOR WILL HELP YOU
MAKE OUT YOUR RETURNS

If there is anything in the income tax return which you do not understand, any Income Tax Inspector will be glad to explain what is required.

MALLARD VANGUARD IS ARRIVING FROM SOUTHERN MARSHES

Ducks are reported as having arrived in this part of the province during the last few days. The mallards are the first of this family to move toward their breeding grounds and undoubtedly these are the birds that have been observed lately.

A few years ago a large number of mallards spent the entire winter in Buffalo Lake, the number being estimated at about two thousand. The winter was mild with little snow and until the middle of February they fed on the stubble fields. At that time snow fell to a depth of six inches and the ducks found it hard to find their food in the cold weather. The Parks Branch of the Dominion Government arranged to have the ducks fed and low grade wheat was purchased from

a farmer in the vicinity and this was scattered in straw surrounding the water hole in which the ducks spent the time when not in the fields. A sum of about \$60.00 was expended for feed and this action resulted in saving the flock.

Banding of Mallards raised in Alberta, show that most of them head for the Mississippi river after leaving here and some have been shot as far away as the Gulf of Mexico. So far, none of those banded have been killed along the Pacific Coast—Canada.

ELECTION DAY VOTERS AND THE BALLOT

(Research Bulletin)

Election day has come and gone for another year. Edmonton has reverted back to the old tried and true "mark your ballot with an X," while Calgary sticks determinedly to P.R. with its U.S. machine made First, Second and Third choice.

Personally I object to a vote given by me to whom I think is the most capable and qualified man being taken from my man and given to another by the P.R. system. The more able, experienced and qualified man is surely the best to represent the minority group if he can be found and elected than the mere fact of a certain group receiving representation whether a man is qualified for the position or not. When all is said and done the majority group have just as much right to be represented, we would be inclined to say more so.

In these days of High School

education for everyone can the Electorate not be impressed to sink all personal interest and party prejudice and be asked to mark their simple X against the most able, best educated and experienced candidate who will serve the community best. Look at how many vote for a man they know nothing about and are simply swept to the polls like sheep to the slaughter by the group or party with axes to grind.

If City Clerk Miller of Calgary would only reply to this, perhaps he could favor the readers of the Bulletin with a few words as to why Calgary should concentrate more on having minority groups represented on the Council than in letting the best man win. City Clerk Chas. Ed. K. Cox of the City of Edmonton, has kindly favored us with some notes on how elections are lost and won in Edmonton.

This article might have been more timely in November, but post war books written by those looking back appear to be in vogue.

The following letter received by Mr. Cox at the last election from Mr. Gerald V. Pelton, Barrister, Edmonton, throws a light on some of the questionable practices at work during an election. The reply from Mr. J. C. F. Bown, Edmonton's City Solicitor, who is recognized as an authority on Municipal Law, should also prove interesting and of value to all.

C. E. K. Cox, Esq.,
 Returning Officer,
 Civic Building, Edmonton, Alta.

Dear Sir:—Without wishing to criticise the excellent efforts which you have always put forth to conduct civic elections as fairly as possible, I feel that your attention should be called to certain acts which were done during the recent civic campaign in order that precautions may be taken in other years to prevent their repetition.

1. The publication in an Edmonton newspaper of a colorable imitation of the ballot for mayor contrary to provisions of Section 173 of the Edmonton Charter.

2. The circulation by one of the organizations among the voters of a circular containing among other things this false statement, "If you divide your vote you nullify it."

3. The use by a political organization as part of its name of the words "Civic Government" indicating that the association is sponsored by the Civic Government. I am suggesting to the City Council that a charter amendment should be applied for prohibiting the use of such a designation.

4. The taking into the polling booth of printed advertising tickets or other material for the purpose of candidates selected by any political organization. At one polling station a voter found one of these advertising tickets in each polling booth, and in another polling station a voter emerged from the polling booth and secured this advertising ticket from his wife, being apparently incapable of marking his ballot except with the assistance of this advertising ticket. The franchise was clearly intended to be exercised according to individual choice of each voter, and that is the reason why the placing of advertising matter in the polling booths has been prohibited by law.

I feel sure that you have done all you could to prevent this practice but I suggest that in future each deputy returning officer should be instructed to watch for such practice and to absolutely prohibit it.

5. The conveyance of voters to the poll with the information that the conveyance is supplied by some political organization, and the distribution of one of the advertising slates at the time of conveyance, being in effect in many cases, a species of reward in exchange for the support at the polls. It is possible that you have not power to interfere with these improper practices without a charter amendment, but it is suggested that steps should be taken to prevent any actual infractions of existing law, and as far as possible to obviate practices which verge closely on undue influence, petty inducement, and other questionable practices.

Yours faithfully,
 (Sgd.) GERALD V. PELTON

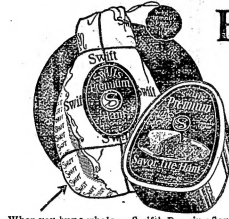

Re letter Dec. 19, 1929, addressed by Mr. Pelton to Mr. Cox.

I have looked this letter over and I do not see that the Returning Officer can do much to avoid the evils mentioned. If any of the matters mentioned are an offence against sections 173 to 177 of the Charter, any person has a right to prosecute, but there is nothing making it incumbent upon the Returning Officer to prosecute alleged offences.

As to No. 2, circulation of a circular containing the words, "If you divide your vote, you nullify it"; the use of such circulars does not appear to be prohibited; neither does the use of the name "Civic Government Association" appear to be prohibited, and it is a matter of policy whether the Council should apply for a Charter amendment to prevent any person using such terms.

As to No. 4, it seems to me to be impossible for a Returning Officer to prevent this practice, as any voter may have a list of the persons he intends to vote for or a similar list supplied him in his possession, and he may leave it in the polling booth after he has voted. The only way such a thing could be prevented would be for the Returning Officer to increase his staff and have someone go into the compartment after each voter

Swift's Premium Ham or Bacon FOR EASTER

When you buy a whole ham, or by the piece, or sliced, look for the identifying words "Swift's" in brown dots down the full length of the side.

As in the case of Premium Ham—Premium Bacon is also easily identified by the brand "Swift" which appears in dots on the side.

Merchants everywhere are ready to take care of your Easter Premium Ham or Bacon Order. They have increased their stocks in anticipation of your needs.

Arrange for your Easter Ham or Bacon, at once, so you may be sure of getting Premium.

Premium Hams retain their full flavor when served, because they require no parboiling before broiling or frying. Insist on Premium when ordering. The splendid flavor and general high qualities will make it worth your while.

Make Sure of "Premium" for Easter

has marked his ballot to see that he has left nothing of such a nature behind him. I understand that instructions are given the various sub-officials to carry out this practice as far as possible consistent with and in addition to other duties.

As to No. 5, the conveyance of voters to the poll, I do not think this is an offence in the way it is done. The Charter provides by section 176 that every person who directly or indirectly gives any money or other valuable consideration to any person to induce him to vote, is guilty of an offence, and in order to convict under this section it would be necessary to show that the voter sold his vote for a drive to the poll, and if this could be shown it would be a corrupt practice and be a ground for contesting the election.

JOHN C. F. BOWN,
 City Solicitor.

PROVINCIAL PARKS AND HISTORIC SITES

(Research Bulletin)

The provincial government will make an effort to establish a provincial museum in the near future and the rebuilding of old Fort Edmonton, either with the logs used in the original building if they can be located, or new logs, Premier J. E. Brownlee stated in the legislature Monday afternoon during discussion of the bill respecting provincial parks.

The object of the bill was to provide parks for the people of the province and in addition is designed "for the protection of objects of geological, ethnological, historical or other scientific interests." Old historical places of interest will be preserved under the act and the "bad lands" of the Red Deer Valley are expected to reveal a store of mammoth fossil specimens and will come under

the provincial government protection from now on.

There were many points in the province at which provincial parks might be located. Mr. Brownlee proceeded, though at the moment it was not wise to say too much about locations, as prices of these areas might go up considerably, if it was known that they might be required for parks use.

L. A. Groulx, Liberal, Groulx, asked about preservation of an island on Slave Lake, and the acquisition of a site known as Shaw's Point while Liberal Leader J. T. Shaw spoke of the old fort at Rocky Mountain House as a historic building worthy of preservation.

The bill provides for the purchase of sites, the proclaiming of parks or protected areas, and the setting up of a provincial parks board of general control, with local boards where necessary for particular projects.

Headaches Were So Bad They Kept Her Awake

Headaches seem to be habitual with some people; some are seldom, if ever, free from them, suffering continually from the dull throbbings, the intense pains, sometimes in one part, sometimes in another, and again over the whole head.

There is only one way to get relief from these persistent headaches, and that is by going direct to the seat of the trouble, for unless the cause is removed the headaches will still continue to occur, and the fact that

BURDOCK BLOOD BITTERS
 keeps the stomach, liver and bowels toned up is proof enough to show that it will eliminate the cause of the headaches.

Mrs. A. M. Arsenault, New Aberdeen, N.B., writes:—"For a period I had been troubled with headaches and they were so bad they kept me awake at night. I was advised by a friend, after having used many different kinds of medicine, to try Burdock Blood Bitters. After taking three bottles I was completely relieved, and can recommend it to be a perfect medicine."

Be Seated, Madame

That might once have seemed a strange request to make of a lady who's in a hurry to get breakfast. But Electric Service makes it simple.

The Electric Percolator, for instance—you simply snap on the switch—in a moment or two you have coffee. It's so much simpler—cleaner—and quicker than the "cook stove and coffee pot" method.

Toast, too—piping hot from the Electric Toaster—crisp and fresh ready to be smothered in butter and marmalade.

And with the handy Electric Grill—your eggs or bacon are done—as you like 'em—right at the table, without fuss or bother.

Your Electrical Supply dealer can show you many ways of simplifying the business of getting meals.

REPORT ADOPTED ON CREDIT SOCIETIES

Edmonton, April 4.—By a vote of 44 to 9, the report of the public accounts committee of the Legislature, dealing with the several sittings held to hear evidence submitted in respect to alleged misuse of monies loaned by the Government to Co-operative Credit Societies, was adopted by the House on Thursday.

By a similar division an amendment, moved by George H. Webster, Liberal, Calgary, was defeated and also by the same division a sub-amendment, moved by Fred J. White, Labor leader, Calgary, was adopted.

MINISTER, RUN-DOWN IN HEALTH, GAINS 7 LBS. IN 3 WEEKS

Rev. W. H. Taylor writes, "After a 7 weeks' revival campaign I was entirely run-down and losing flesh rapidly. I decided to give Ironton Yeast a 3 weeks' trial. After 3 weeks I found my strength returning and the tired feeling gone. In 3 weeks I had gained 7 lbs. and was myself again."

Imagine just 3 weeks to change from a "skinny" tired person to a strong, well-filled-out man or woman. Ugly hollows vanish. Broomstick limbs become round and chubby. Tired feeling disappears. Blemished skin clears.

PLANNING A WATER SYSTEM

By W. E. ZINKAN
Civil Engineer, Edmonton
(Research Bulletin)

These days when the Province as a whole and many municipalities in particular are thinking in terms of the City Beautiful in conjunction with utility a few words on the above subject may not be amiss.

Present day thought is rapidly assimilating the principle that utility and aesthetics may be well combined, and that roughness of outline and carelessness in architectural proportion are not necessary adjuncts either of strength or of service. In other words, visible public works are incompletely constructed if there has been no endeavor to make them attractive as well as operative, and underground construction fails to meet the conception of the modern city plan unless careful thought has been taken to serve the convenience of the citizen as well as his necessities. Pleasing features of building and landscape are perfectly possible of attainment at reasonable cost. The tearing up of well paved streets is a relic of a less civilized age, and ugly unkempt reservoir surroundings bespeak ignorance of up to date water-works planning.

The beginnings of a water-supply system are found in the necessities and comfort of a community. Protection against fire is often the primary cause, or it may be that the needs of the present were the luxuries of a not distant past. Whatever it is the demands for ever increasing quantities of water must be recognized and met.

With the rise to a greater civic consciousness of Alberta towns and cities through their Town Planning activities, the need for an adequate water supply is felt even in quite small communities. This desire and urge has been enhanced the past year because of the many disastrous fires and the excessively dry year.

As more and more communities add water supply to their utility list it might be in order to create a wholesome rivalry by the various

places sending to the Editor of the Research Bulletin snapshots of their visible supply system.

Elevated storage tanks are a necessary adjunct, and these can be made very attractive features of the landscape if some attention is given to architectural design. With storage and impounding works most attractive park surroundings can be added to the assets of the community. While the pumping station or power house can be made a real beauty spot.

Here and There

(503)
Canadian Pacific Railway Friday night broadcasts are now being sent out across the Dominion from coast to coast. Letters are being received from all parts of Canada in appreciation of the programmes and the radio recitations in all centres. Arrangements have been made with the National Broadcasting Company of the United States to place special C. P. R. programmes on the air, early in April, over WIZ to thickly populated sections of the Eastern United States.

Veteran of 55 years railway service and one of Canada's earliest telegraph operators, William Phillip Martin, formerly assistant superintendent of the Canadian Pacific Railway, died in Vancouver recently. He learned telegraphy from his father when a boy and became a chief dispatcher at the age of 18.

Discovery of a new species of whitefish in Clear Lake, Manitoba, is announced by A. Bajkov of Manitoba University. The new species has been named Coregonus Odonochoe, in honor of Dr. C. H. O'Donoghue, formerly of the faculty of Manitoba University. The newly discovered fish is common in Clear Lake. It lives at a great depth during the summer, coming to the surface only in the spawning season.

Sixty head of pedigreed cattle and sheep from the Royal estates of the Kingdom of Denmark, the subject of Professor W. L. Carlyle's trip to the Old Country aboard S.S. Minnesota recently. They are destined for the Prince of Wales ranch at High River, Alberta, and are a further proof of His Royal Highness' interest in improving Canadian live stock.

"As far as the army is concerned, the horse will be a museum piece within the next 20 years," said Brig-General W. B. M. King, C.B.E., D.S.O., Duffess, at York, after a trip during which he inspected regiments of the British Army. The new species of the horse, the mechanization of the army was taking rapid strides and, though a costly operation, would pay for itself by decreased maintenance charges within a period of five years.

New Brunswick has an estimated population of 419,000, according to the twelfth annual report of the chief medical officer of the provincial department of health tabled in the Legislature recently. An interesting detail of the report was the statement that during the past year more than 25,000 persons had been permanently immunized against diphtheria.

Surest sign of spring in Eastern Canada is the running of the sap in the maple trees. This annual harvest is now on and last year the total value of maple sugar and maple syrup produced in Canada was \$6,118,656. This money accrues mostly to farmers and the province of Quebec is the leader of the industry in Canada.

Ten years ago capital investment in electric power in Canada was about \$400,000,000. To-day it is over a billion dollars and total power available from present installations is nearly 6,000,000 h.p. This is about one-fifth of possible development.

It even a few friends of The Times will only remember us from week to week in a little way, it will help amazingly to make this paper much newsworthy and therefore that much better from the real test of a paper, the subscriber's standpoint.

MILLET LOCAL NEWS

Dr. Simpson spent the weekend with relatives in Edmonton.

We are glad to learn that Jimmie Schaff is improving in health.

Mr. A. P. Mitchell has the village decorator, Mr. Carr, working on his office.

Miss Connie Schaff has accepted a position in Wetaskiwin with the Brody Co.

Mrs. Art Farbett left on Tuesday for Nelson, B.C., where her mother is quite sick.

Mr. Burger has returned to the village and taken a position at the Arlington hotel.

Mr. and Mrs. Anthony Stocks have returned to the village after spending the winter in Los Angeles and other California cities.

Don't forget the school meeting in the Community hall on the 15th, for a new village school.

Mr. Hamilton of the Cooke Drug Co., has moved into Mrs. Dowler's house on Hamilton street.

Miss Annie Smith from West Liberty, spent the week-end with Miss Ruth Wright in the village.

All roads lead to Pinyon's hall on April 11th, when the local play "Safety First" will be shown for the last time this season.

"Ye Olde Tyme Concert" to be given April 16th in the Coal Lake Community Hall at 8:30 o'clock, by the Millet Ladies' Aid and choir. Everybody come and enjoy yourselves. Lots to see and hear.

"The W.A. of St. John's Church" will hold a card party on Easter Monday, April 21st, at 8 o'clock in the Community hall. Price 50c including refreshments. Court Whist will be played. Good prizes. Come and have a good time. Everybody welcome.

CINDER SIDEWALKS AT DRUMHELLER TO COST OVER \$8,000

(Research Bulletin)
Close to 26,000 lineal feet of cinder sidewalks will be constructed this year if the program of the Works Committee is accepted at the next meeting of the town council. The new sidewalks will be built on all streets where no walks exist at present and this estimate does not include repairs to existing walks.

The estimate for walks, which was submitted to council on Monday night by Councillor Utley, will cost the town \$8,536.96, at 33 cents per lineal foot. The program includes 16,935 lineal feet east of Centre street, 7,263 lineal feet in the west-end, and 1,702 lineal feet south of the track.

It is understood that notice of proposed construction of walks will be

served on property owners so that any district desiring concrete walks can make application before cinder walks are commenced.

MILLET WOMEN'S INSTITUTE NEWS

The sewing demonstration at the home of the president of the Women's Institute, Mrs. H. Phillips, was a decided success. The average attendance for the three days was 15. All joined in praise of the wonderful hostess for her generosity in thus donating for the second time, her paternal residence for the accommodation of the happy seamstresses.

A special meeting of the Women's Institute was held in the Community hall on April 2. The quilt was finished, and tickets are now on sale. During a short business meeting a committee was appointed for the bazaar next Saturday, as follows: Sewing and fancy work table, Mrs. Phillips and Mrs. Rowley; home cooking table, Mrs. Facey and Mrs. Marry; tea table, Miss Camp and Mrs. Heslop. Tea served from 2 to 5.

The delegate appointed to the Calgary convention is Mrs. M. Nelson. Particulars for the May meeting to be given later.

CONCERT IN CHURCH WAS GRAND SUCCESS

Ye Olde Time Concert by the choir and Ladies' Aid of the United Church in Pinyon's hall last Friday evening was a grand success. People came from all parts of the city, from Fraser Flats on the south to Brinkerville on the north and from across the railway to the nuisance ground on Hay Creek bottom, not to forget the country all around. The ladies looked fine in their old wedding dresses, not a white silk stocking to be visible anywhere, nor a blue stocking either. An outsider cannot very well mention names, but everybody did well, some splendid. Ladies, you know, don't care to have their names in the paper, and the men will forget the double honor lost. Yes, the city of Millet has both musical and dramatic talents if the country is with them. Millet is also noted for its community spirit. We have a Community hall and four churches available most of the time. It is customary nowadays to pray for the people of Russia, so here is a valuable tip. Keep praying. If the Government should come here they would no doubt close half of them to save money.

VEGREVILLE HIGH SCHOOL
PRINCIPAL SAYS
He would like to see provision made for the teaching of business courses in typewriting and shorthand, as otherwise pupils have to go to the city, whereas there is no reason why students taking a commercial course should not be retained in Vegreville. This applies to every town in Alberta.

PROV. SUPP. REVENUE (Research Bulletin)

Ex-Mayor George Webster of Calgary, as a member of the Legislature deserves the thanks of the Union of Alberta Municipalities for his strenuous endeavor to have the Provincial Supplementary Revenue Tax taken off. Now that the Province of Saskatchewan has repealed the tax it is hoped Alberta will follow suit as the collection of Municipal Taxes is

HILLSIDE

Mrs. L. W. Marr and two children, who have spent the past three months in Ireland, returned home on Friday. Mrs. Marr is glad to be back in sunny Alberta.

The card party held in the school house last Wednesday was well attended, there being eight tables played. The first prize for the ladies went to Mrs. Henry Young, the consolation going to Mrs. Manson of Edmonton. Ronald Hoskins won gentlemen first prize, while Leonard Swartz won the consolation.

M. H. Hemphill returned to Edmonton on Saturday. Matt intends to investigate the north country.

Three car loads went in to the Old Time Concert in Millet on Friday evening, and report a first-class entertainment.

Mr. and Mrs. H. G. Young, accompanied by the latter's sister, Miss Margaret, were Edmonton visitors on Tuesday.

The farmers are busy on the land and this week will see considerable wheat in the ground.

We understand that there will be a dance in the school house during Easter week. Full particulars next week.

TAR AND SAND SIDE- WALKS FOR VEGREVILLE

(Research Bulletin)
At the meeting of the Vegreville Chamber of Commerce held this month, Councillor McLean presented the council's scheme for the extension of the tar and sand sidewalks of the town. If a sidewalk is desired in any particular block in the town, a petition, the form of which can be obtained from Mr. Fitzallen, which should be circulated in the block. Two thirds of the property owners in each block must sign the petition and their properties represent at least one-half of the property in the block.

The cost of these sidewalks will be borne by both the town as a whole and by the citizens interested. Sixty per cent of the cost will be borne by the municipality and the remaining 40% by the ratepayers fronting on the walk. It is estimated that the additional cost to the favored ratepayers would be about \$3.30 per front which would be added to the taxes he paid.

Tell'em and Sell'em
With Printers' Ink!

Possible buyers are best approached by means of the printed word — setups that "bristle" with appeal in their verbiage and illustrations. Our cylinder and platen presses will turn out that kind for you.

Bungalow Camping in Rockies

Spring is here, according to the calendar, though you may not otherwise have noticed it, and with the spring the thought of vacation begins to gather strength. In another month or six weeks the bungalow camps of the Rockies, famous the world over for their beauty, will have opened again for the season. Outstanding among them are the Lake Louise Bungalow camp (lower left), just below the O'Hara Bungalow camp (lower right), under the roar of the Takakkaw Falls; and Emerald Lake camp (upper), by many considered to be the gem of the Rockies, although artists and others will contend that Lake O'Hara is a close rival. Stays at reasonable cost may be made in any or all three of these camps, since they are not very far from one another and are easily accessible. As a by no means minor part of the lure of these camps there is the attraction of trail riding on trained, sure-footed mountain cayuses over mountain passes through some of the most magnificent scenery in the world. Centre inset are the famous Twin Falls near the Yoho Camp.

Money Orders

At any of our Branches you may buy Money Orders payable at any bank in Canada. We have responsible agents, too, in foreign countries, who honour these orders at current rates.

***Gophericide, Go-for-Em and Bullseye Gopher Poison at Cooke Drug Store.

***All kinds of Easter Novelties at Cooke Drug Store.

WHEELS FOR 12 MILES TO FIND DEATH

Long Beach, Cal., April 9.—William O'Brien traveled 18 miles in his wheel chair to find death.

O'Brien, born in Canada 50 years ago, had been a resident of the Los Angeles County Farm, at Hondo, for 15 years. He could not walk, but was able to push himself about in his chair.

Yesterday he was missed at the farm, but too late to stop his strange pilgrimage. His journey was traced to an ocean pier at Long Beach.

A fisherman saw the final stage of the trip down the pier. When O'Brien did not reappear, he investigated and found the chair empty.

DEMONSTRATION ON POSSIBILITIES OF ELECTRICITY

Wetaskiwin women will have the opportunity next week of learning, from one of the best known home economists in the country, the most efficient way of utilizing the many latent possibilities of electricity in the home. The economist in question is Miss E. Frances Thompson, who is internationally known for her work in household economics. She holds diplomas for dietetics and home economics awarded by the Board of Education in England; and lectured for several years on these subjects in London day and evening schools as home economist for the London County Council. In Canada she has addressed numerous women's organizations throughout Ontario and the Maritime Provinces.

Miss Thompson is to lecture here on Thursday afternoon of next week from 2:30 to 4:30 in the afternoon and from 8 to 10 o'clock in the evening. She is to speak on the subject of electricity in the home.

Her addresses are based on the belief that the average woman is liable to be almost bewildered by the variety of uses for electricity that have been developed during the last few years with a view to lightening household tasks.

Miss Thompson is one of the few women who have devoted lengthy study to the development of the most efficient method of utilizing all these electric servants. The result of her labors has been extremely interesting, and it is the benefit of these researches that she plans to give to her Wetaskiwin audience.

Through the courtesy of the Elks Hall, where a model electric kitchen has been installed in miniature, Miss Thompson is speaking under the auspices of the Calgary Power Co. and Whyte & Orr, Ltd., H. Templeman, and the Canadian General Electric Co. According to Mr. Horner, manager of the Canadian General Electric Co., invitations have been sent out to all women's organizations whose names could be obtained. Nevertheless, Mr. Horner pointed out that many omissions were inevitable; and he emphasized that any woman interested in the use of electricity in the home would be welcome whether she had received an invitation or not.
